Keeping Healthy.

Dear Parents and Carers,

Within Ash class we plan our activities to meet the needs and interests of individual children but we also like to provide themed areas of learning to develop new interests and to widen skills across the whole curriculum. Our topic for this half term is 'Keeping Healthy,' and we will learn how important it is to wash our hands, exercise, relax, eat fruit and vegetables and brush our teeth regularly. We will also look at ways to get along with our friends and overcome emotions like anger and anxiety, as well as sharing things that make us feel special. Ash class will join with the whole school to learn about the Easter story and why it is such an important Christian celebration.

Story and Rhyme time will be on **Thursday 8th March** from **2.45pm** and our **annual Easter Egg Hunt** will be at **2.30pm** on **Tuesday 27th March**.

For both events, we welcome all Ash children and parents and extend the invitation to any parents or carers with pre-school children living locally.

World Book Day is on **Thursday 1st March** when we are all invited to dress up as a book character for the day. Please do ask if you would like to borrow one of our costumes - we have been lucky enough to have had many donated to the class recently.

We are delighted to have linked with Honiton Children's Centre who will be running a **Gruffalo** themed afternoon of activities in the village hall on the afternoon of **Wednesday 14th March**. Parents and carers are invited to join us watch out for more details to follow!

Sport Relief Day is on **Monday 19th March**, when we will be using our PE lesson with Mr Bardot to contribute to our school challenge of running a collective 100miles in a day! Donations towards this charity will be appreciated on the day.

Many thanks for the positive comments and contributions towards your child's **Tapestry Learning Journey**. We hope they are developing into a lovely record of your child's progress. As always, please do come and ask if you have any queries or concerns..... it's going to be a busy half term!

Kind regards,
Sally Hunt
