

School Council 2019 - 2020

- **Children in Need** - on the 15th November. School Councillors have decided to have a non-school uniform day for Children in Need with a few different activities happening on the day.
 - A chalk drawing of Pudsey on the playground which we will fill with our donations plus any spare pennies
 - The Big Morning Move
 - Guess the number of spots on the cake
- We will ask the PTFA if they could provide us with a cake and ask Mrs Davey to put the information for the day in the Newsletter.
- **School Environment** - School Councillors were asked to have a look at the school environment to see if there were any areas they felt could be improved. Some of the areas discussed included painting the classrooms, bird feeders, and new wellies on the wall. For now School Councillors have chosen to focus on the fence art as this is what people see first when they arrive at school. For the next meeting they are considering if we can reuse what is already on the fence and how we could include our school vision.

NEXT MEETING: Tuesday 19th November
