

The Link October for November

Half of our Autumn Term is now completed so, what have we been up to?

Offwell School has had a busy, productive and enjoyable start to the academic year. Alongside our high quality education we always extend the children's learning with opportunities to motivate, inspire and extend.

Willow Class (ages 6 to 7) went to HCC for a Gym Festival.

22 of our KS2 children (ages 8 to 11) took part in a Cross Country session. This was held indoors as the ground was waterlogged. They really enjoyed this experience which was run along the lines of a cycle race in a Velodrome with one team trying to catch the other.

Oak and Beech Classes (ages 8 to 11) were enthralled by the Space Odyssey experience at school. There were audible gasps when the planets appeared inside the dome.

Ash Class and Nursery (ages 3 to 5) picked all the apples from one of our trees in the meadow. They are delicious. Sadly, we cannot remember the variety so if anybody out there can identify them from the picture we would love to hear from you.

We have a new Chair of Governors. Bishop Oliver Simon has taken over and we all look forward to working with him for the benefit of our school.

Our fantastic PTFA organised a joint venture with Upottery School with a Ceilidh for children and adults. Much fun was had and the money raised was split jointly between the two schools.

The second half of term now beckons and we aim to make it as brilliant as the first.
