This is My Plan

My 'talking mats'

How I feel about different areas of my learning

What practical things helps me to learn

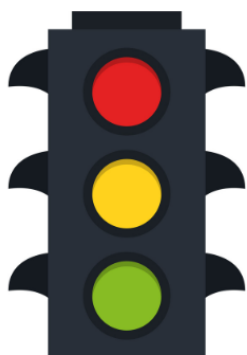

This is what it is like being me in the classroom

My Targets

Use your stickers to track your targets

Area of learning	My Target	Autumn	Spring	Summer

How your targets work

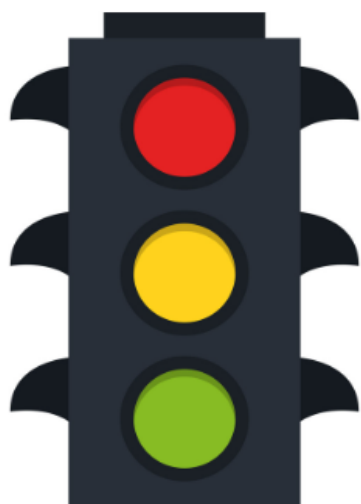

You will be set 2 or 3 targets in the summer term.

We will review your targets together in the Autumn and the Spring terms.

When you meet a target, you can add a green sticker to your chart and we will set a new one together

If you don't quite meet a target, you can add a yellow sticker and we'll carry on supporting you to meet it next time

If we are a long way off meeting your target, we will add a red sticker and make sure that we are helping you in the right way and that it is the right targets for you.

Draw a picture of you doing your favourite thing or of something that really interests you.
