

Ethos Group - Minutes

Minutes of meeting 9/10/25

Present: Mr Thomas, Mrs Kryviak, SC (Y6), RMH (Y6), SK (Y5), HJ (Y4), PE (Y4)

Absent: Mrs Leach and Mrs Joy (apologies given), TM (Y5)

Welcome and aims

Mr Thomas welcome the new children to the Ethos group and shared the aims with them.

Vision Monitoring

Mr Thomas shared with the group that our vision is a hugely important part of what makes our school special. Children were asked to complete a monitoring questionnaire/survey which asked children questions about the vision and what it means to them (see below). Children, with Mr Thomas, then went around KS2 classes and asked and children the same questions.

The same questions will be asked of a selection of staff and parents. The results of this exercise will support the group in planning and evaluating the impact of the vision. Further information to follow in regards to the findings.

Offwell C of E Primary School

Our vision: **Be well; Learn well; Live well; Offwell**

Vision Monitoring and Evaluation October 2025

Can you remember the school vision?	
What does each part of the vision mean to you?	
Can you give an example of one part of the vision in your daily school life (or outside of school)?	
Can you give any examples of what the bible says in the context of our vision? E.g. can you think of any stories from the bible for any of the parts of the vision?	
Can you give any examples of how the vision might influence other areas of school? (e.g. subjects, policies, etc)	
How do the values help you live out the vision?	

Headteacher: Mrs L Legg
